| Preparation | Familiarize yourself with the racing statutes and/or rules of racing in your home jurisdiction; bring a copy of those with you. Also look at the Model Rules of Racing that can be found on the RTIP website www.ua-rtip.org . Print out the flat racing sections or bring a laptop with you so you can work with these rules during the week. Think about questions you have about the rules of racing, jot them down; think about “what if” scenarios and bring those along too. We welcome race films of interesting or controversial incidents (DVD format). | | |
| Area Hotels | Please book early as this is high season in southern California and there are a number of big events that sell out large blocks of hotel rooms. | | |
