

## *ROAP Resource Guide*

The Guide contains insightful observations from some of racing's most knowledgeable and respected individuals. Not only should it be required reading for every racing official, it also would appeal to any serious student of the sport. The resource guide was commissioned by the Racing Officials Accreditation Program (ROAP) for use in conjunction with accreditation courses.

Price: \$50 (plus 6% tax for KY residents).

## *ROAP Duties and Responsibilities DVD*

This 45 minute long DVD offers a window into the world of racing officials, their duties and their responsibilities.
